Malini... Malini?

What? Oh, I'm sorry.  
I'm just so tired, I'm  
ready to fall asleep.

Well, try to stay awake at  
the airport so you can sleep  
on the plane. We're here.

Tell your sister I hope  
she's feeling well. And  
good luck with her kids,  
they can be a handful.

Have you ever flown this late at night before?

No, but this was the only flight I could get on such short notice. I really hope I can sleep on the plane.

Oh, don't worry. This late at night, the plane is nice and dark, everyone falls asleep.

Alright, here's your ticket. Enjoy your stay in Mumbai!

My plane is leaving soon. I hope this doesn't take long.

Oh no! This is just what I need right now!

I'm sorry, but you set off the metal detector, so I'm going...

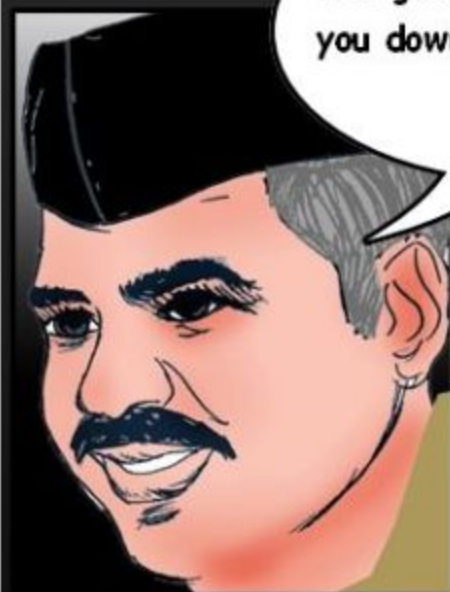

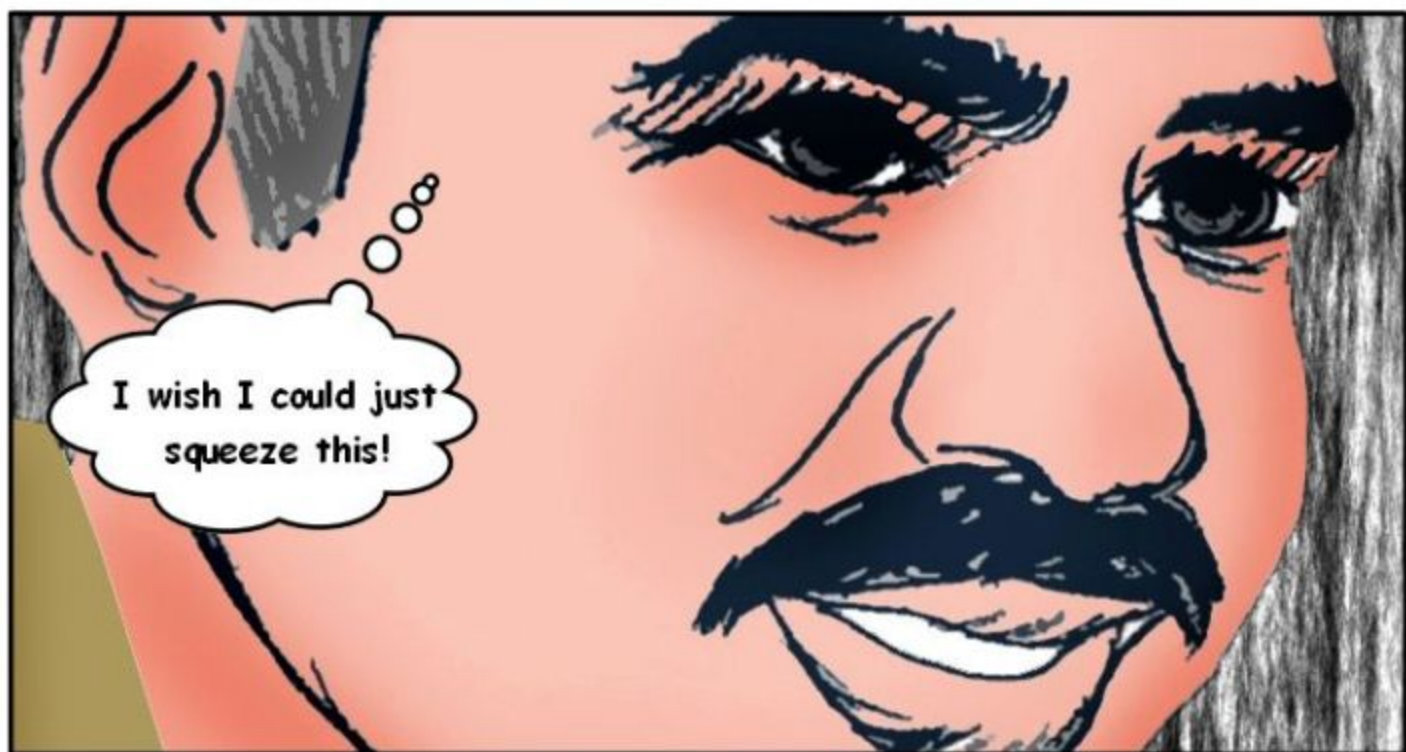

Uh... going  
to, uh...

I'm going to have to pat  
you down right over here  
ma'am.

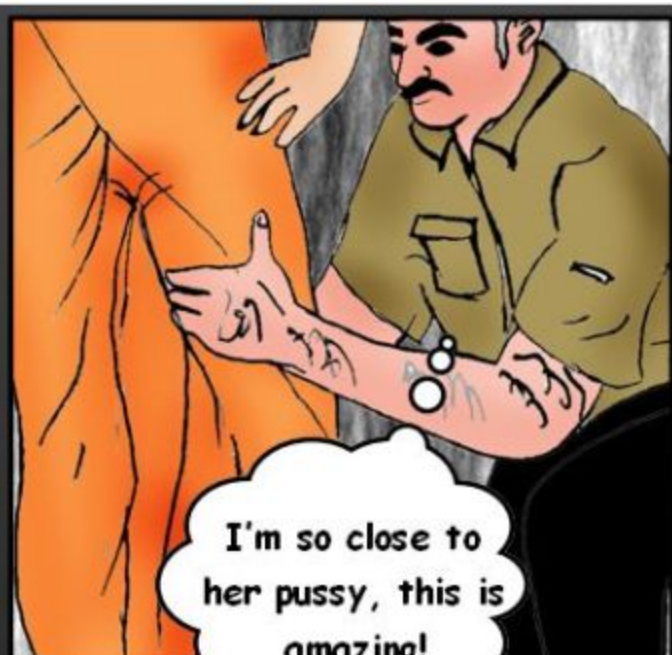

Is this going to take  
long? I have a plane I  
really need to get to.

Just cooperate and this  
will be nice and fast.  
Now please turn around

Almost done, I just need to pat down your chest.

Oh, yes, squeeze my tits harder!

TWENTY MINUTES LATER

Well this is great! After the guard rubbing me and all that running, how will I fall asleep now?

All I wanted was a little rest, and now I'm...

Excuse me?

Do you mind if I take this seat? I was stuck next to a very large man who fell asleep right on top on me.

Oh... why yes, of course, sit down.

Thank you very much. I promise I won't bother you.

What a handsome  
young man.  
And he looks so  
strong too

His hands look soft and  
firm. Not like that security  
guard, with his rough and  
hairy hands.

If only this man had  
been the one to pat me  
down at the airport...

I think I would have  
enjoyed that... that  
would have  
been hot...

Almost done,  
I just need  
to pat down  
your chest.

Does everything  
feel alright?

Yes, everyth... actually, no. No, I'm afraid you'll  
have to take that top off, please.

Oh really?

Anything else I  
need to remove?

Your skirt, please.  
That needs to come  
off now too.

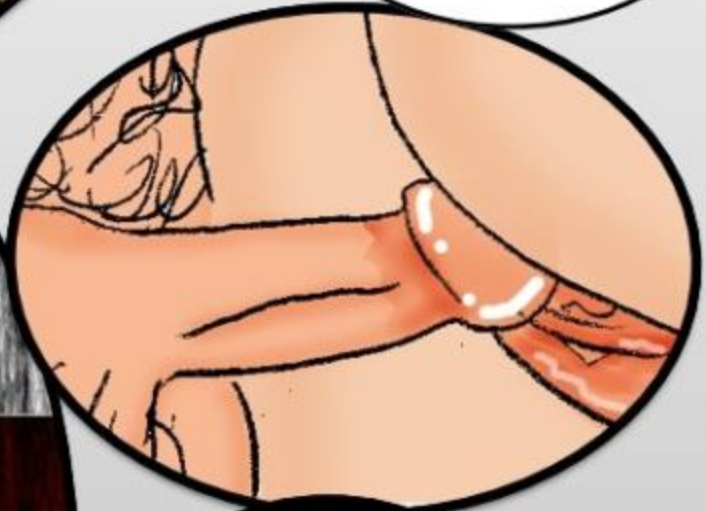

Maybe you should get  
undressed too. It's not  
fair for me to be naked  
alone like this.

Okay

But my search isn't done yet. Please stand over there, and bend over that table

Like this?  
Is this how...

Ohhhh!

Deeper! Push it in completely inside

Yesss, just like that!

Mmm, yes, your cock feels so good inside of me.

Aaaah!

Ohhh!

Let me lay down. I want you to stare at my tits while you fuck my pussy.

I love looking at those big tits.

Yes! Keep fucking me until you cum!

Oh, it feels so good, keep going!

Oh, I'm cumming.  
I'm cumming right  
on your huge tits.

Are you  
cumming?

Yes! More, I  
want more! All

Suck every last drop  
of cum out of me...

Meanwhile, in the plane

Look at those huge  
tits! They're just so  
big!

If I could, I would rub  
my dick all over those  
tits until...

Uh... I was trying  
to, uh... look out  
the window.

Of course. Excuse me for  
a minute, I have to use  
the restroom.

Oh, that dream made me so horny! And the way he was staring at my tits...

Oh yes, that feels so good!

My pussy needs some attention right now, or I'll go crazy!

Oh, I would love to have a big dick in my mouth right now

I can't do this  
with clothes on.

Yes, this is  
better! My pussy  
is so wet!

If only this were a  
hard cock instead of  
my fingers!

**CLICK**

Oh no...

I forgot to lock  
the door!

Oh, I'm sorry, I  
thought...

What do you mean us? You're not... what are you doing?

You'll see.

Like I said, no one will see us.

Do you like  
watching me touch  
my big hard cock

I don't want anyone  
to see but...

you're making me  
so horny.

Have I made your pussy nice  
and wet?

Oh yes, so wet...

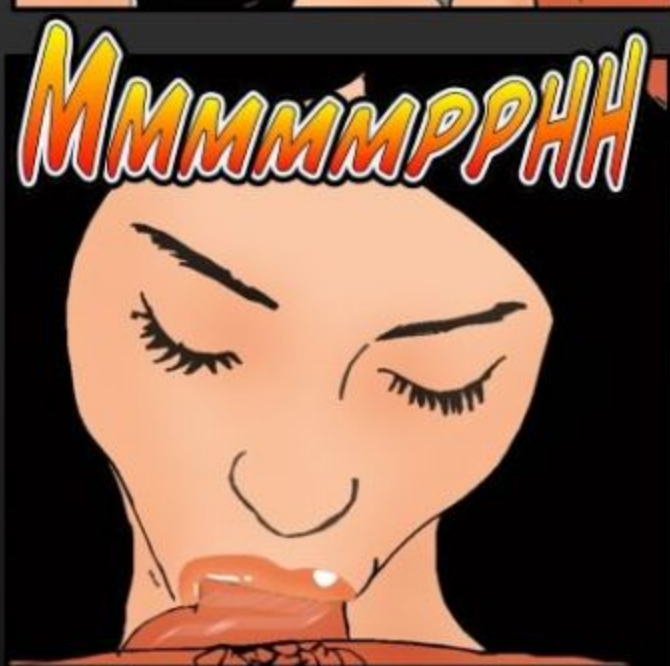

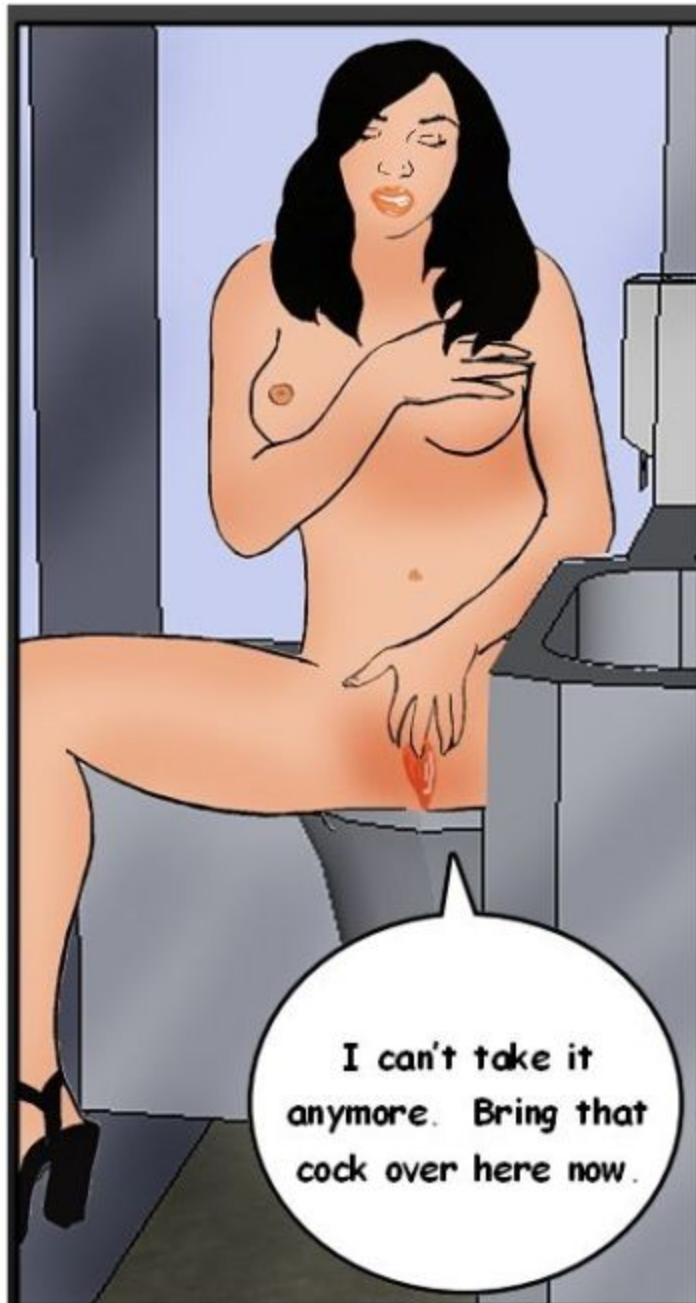

My nipples are so  
hard...

Rubbing them is making  
my pussy even wetter.

Are you going to cum on me? I want it in my mouth.

Fuck yes, I'm real close.

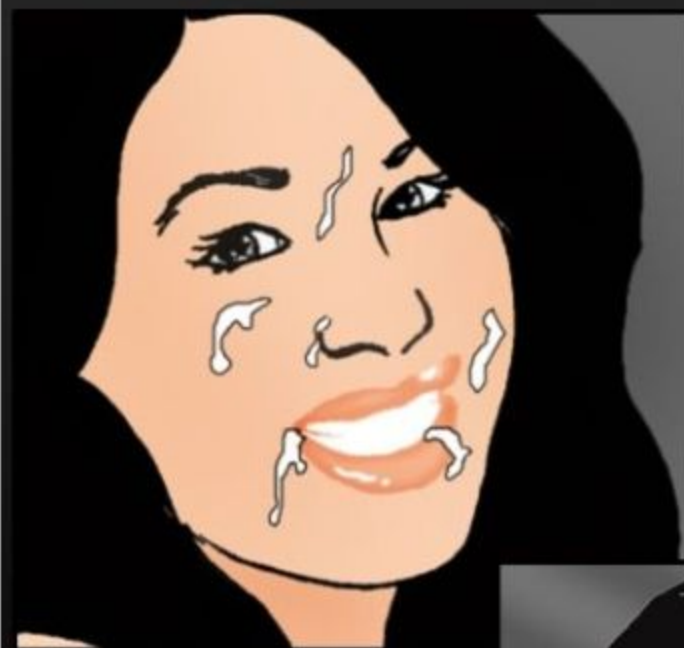

I can feel it... he's almost ready...

I'm cummmmming...

Gotta get every last drop out.

And you too! I'm happy to be here!

How was your flight? Did you get any sleep?

No, I didn't get any sleep at all.

Oh no, that sounds terrible!

Actually, it was one of the best flights I've ever been on.
